

st. bart's men's club

The purpose of the Men's Club at St. Bartholomew's Church is to foster camaraderie amongst our parishioners. The Men's Club will encourage our members to live more fully in Christ's image through the expression of Spiritual, Social, Emotional, Physical and Intellectual gifts while fulfilling the church's mission in our community. Our activities will support the needs of the parish in a variety of ways.

We remain committed to our Catholic faith and church, as well as to our members and fellow parishioners. We are always looking to add new members. Please consider becoming a member by completing this form, and returning to the parish office, c/o Tony DaRoza, Men's Club President, or email us at stbartmensclub@gmail.com.

To become a member, please return this form to the parish offices at 600 Columbia Drive.
